Supporting children with below average reading levels

Children directly involved in initiatives

36 KS2 children supported in Mathletics

56 children engaged in afterschool clubs

166 children supported in one to one and small groups

CY Supplies

My team came up with a Christmas initiative to get the children of Shacklewell primary school to donate items to charity. The children donated toys and clothes which were sent to needy children in Ghana. They also donated for the Salvation Army.

Adam Wisden

"A girl in year 6 avoided asking for help despite struggling with her maths work. I noticed her and decided to support her. At the end of the lesson, I was rewarded with 'thank you Sir, you're the best City Year ever!'"

Zachary Hinckson
